

QuickCast Pro-4K Starter Kit

Easily broadcast 4K sources wirelessly

- **Ease of use - Cable free presentations via HDMI**
- **Kit includes a transmitter, receiver and charging cradle**
- **Supports PC, Mac, iOS, Android and other devices**
- **Supports Netflix, Hulu, Vudu, HBO Go, Amazon Prime Video and other protected digital content**

Easily share content from HDMI sources wirelessly via the Optoma QuickCast Pro. Simply connect the QuickCast Pro receiver to an HDMI input, plug the HDMI transmitter into the source and begin wirelessly transmitting office documents, presentations, videos and digital content with the click of a button.
